Dear Parent(s)/Guardian(s),

Thank you for your interest in Penticton Christian School! Since 1988, PCS has offered quality, Christ-centered education to children in the Penticton area. Even though the make-up of the community that has been involved in this endeavor is constantly changing, our mission remains constant. The School Society makes a conscious effort to encourage all parents sending their children to PCS to be involved by using their gifts, abilities, and experiences to work together to provide the best possible Christian education for the children of this community.

Enrollment is open to parents who sincerely wish to have their children educated from the Christian perspective that undergirds the school. Our mission statement indicates that we believe that the education of children in the Christian faith is a three-pronged effort: home, school and church. It is important that that which is taught in the home is supported by other social agencies such as the church and the school. That is why the school encourages membership in a local church. The information in this folder should give you a good idea of what that perspective is and how it is worked out in various areas of the school's curriculum, organization, and daily operations.

The enrollment process at PCS includes the following steps:

- a. After perusing this package, applicants complete the **PCS Student Registration Form** and return it to the school with a \$100.00 per family **non refundable** application fee.
- b. An interview with the Principal and/or the Education Committee will be arranged. The interview process will determine if PCS is able to meet the various educational needs and provide a quality education for each child, the commitment of applicants to having their child/ren educated in the fear of the Lord, commitment of the applicants to participation in the school community, and the availability of space.
- c. Applicants will need to complete a **Financial Commitment Form** which outlines all fees and available payment methods.
- d. Since the school is very much dependent on tuition payments it is crucial that parents pay the agreed upon amounts. Non-payment may result in removal of the children from the school.

We hope that the information package with which you have been provided will encourage you to further explore the possibility of enrolling your child/ren at Penticton Christian School!

A WORD ABOUT TUITION

Because government grants pay only a portion of the cost of educating your child in a group 1 independent school (50% of the per student funding amount of the local school district), it is necessary for such schools to raise additional funds to be able to pay the expenses of running a school. Occasionally, PCS receives gifts or donations from individuals or a church to help out. The majority of the additional funds must be covered through tuition fees.

The Penticton Christian School community consists of a variety of people, some of whom have been financially blessed by the Lord. Others in the school community are unemployed and have difficulty putting food on the table, let alone pay for tuition for their children. The Lord has said “of him to whom much has been given, much will be required.” The Board hopes that people the Lord has richly blessed will contribute more so that those who are suffering financial difficulty may also be able to send their children to this school.

PCS STUDENT ACTIVITY FEES

Penticton Christian School offers a fairly extensive program outside of the classroom. These extracurricular activities support the curriculum taught in the classrooms. PCS students are involved in field trips to various locations in the geographical area as they learn about the place in which they live. Teachers also select special presentations such as symphony concerts and dramas for students to attend as ways of enriching the schooling experience. The whole school participates in skating and swimming programs.

Rather than constantly approaching parents with requests for \$1.00 here or \$5.00 there, the school has established a per student activity fee intended to cover these additional expenses. You will notice this fee included in the financial obligation calculations.

The activity fee may be subject to change without notice, depending on costs.

PENTICTON CHRISTIAN SCHOOL

GUIDELINES RELATING TO FEES

Much of the planning required to run an effective school must be done on an annual basis. Staff is hired, programs are developed, and many other plans are created to be in place for the entire school year. In light of this, **by enrolling your child/ren at Penticton Christian School, you are committing to partner with us for the entire school year.** For families enrolling mid-year, you are committing to remain for the rest of the school year.

1. **Financial Commitment Forms** must be signed and received at the school office by **June 30th** (or before beginning school for new students). This form shows all fees that must be paid and includes available payment options.
2. **Fees are an obligated debt.** Should fees not be paid when required and agreed upon, the following procedures may be used to collect late fees:
 - After 1 week overdue - statement of overdue fees will be sent.
 - After 1 month overdue - reminder call from the bookkeeper will be made.
 - After 2 months overdue - contact by a member of the Finance Committee.
 - After 3 months overdue - parents/guardians requested to meet with the Board.
 - A request of withdrawal of the student/s may be made.
 - Outstanding accounts may be referred to a Collection Agency.
3. **A charge of \$25.00** will be added to your account **for each NSF item** (cheque, e-transfer, etc.)
4. When a family voluntarily withdraws from the school for any reason, the school must receive either one calendar month's notice prior to withdrawal **or** a withdrawal charge equal to 10% of the total annual tuition.
5. Students will not be re-enrolled until **all** financial obligations from the previous year are met. Families with a balance owing on their accounts at June 30th will cause their students' names to be removed from the class lists for the coming year until their accounts are paid in full.
6. When a student is expelled, suspended, or asked to leave by the school administration, tuition for the balance of the year remains due to the school.
7. When a student leaves Penticton Christian School for any reason, including graduation, all unpaid accounts remain due and must be paid to the school.
8. **Activity fees** are non-refundable when a student withdraws part way through the year, as activity bookings are made based on the number of students at the beginning of the year.
9. As at September 1st of each year and each month thereafter, interest will be charged on overdue accounts (after being unpaid for 30 days or more from the payment due date) at the current prime interest rate being charged by Valley First Credit Union (VFCU), or at the rate of interest being charged to PCS by its financial institution(s), whichever is the lesser rate of interest from time to time.

Example:

The rate to be charged on overdue accounts would be 3.0% or 4.5% if the prime was to exceed the 4.5%.

(Based on current rates as of April 24 2023 – taken from VFCU's website:

Current rate to PCS on its long term mortgage with MB – 8.1500%

Current personal loan rate at Valley First Credit Union – 9.2%

Current prime rate of Canada – 6.7%)

10. The school's **family rates (F2 and F3)** are applicable in the following situations: to families who have all their siblings enrolled at PCS *and* to those families who have siblings enrolled at PCS and other Christian independent schools. The following calculations apply:
 - a. those families with two siblings enrolled in Christian independent schools, but with only one sibling at PCS will pay half of the current F2 fee.
 - b. for those families with three or more siblings enrolled in Christian independent schools, but not having all those siblings at PCS the formula will be: (current F3 fee) / (number of siblings enrolled in Christian independent schools) x (number of siblings enrolled at PCS) = tuition fee to be paid to PCS.
11. A discount of 5% will apply to **tuition fees** only if paid in full by September 30 of each year. Should a family choose to withdraw from the school after prepaying for the full year, the school will retain the full amount of tuition payable for the number of full/partial months already attended.
12. There will be a \$10.00 charge to former students who request their transcript of grades. PCS will supply them with two paper copies.

Volunteer Policy

Rationale:

- A parent's/guardian's involvement in a child's education is vital for the educational success of the child.
- The school depends on the involvement of every family.

Purpose and Goals:

- To build school community.
- To support the work and ministry of the school.
- To share the workload, using individual gifts God has given in community.
- To encourage the development of volunteer involvement.

Requirements:

- **A minimum of 30 hours per family* over the 10 months of the school year.** Work done in the summer will be credited to the following school year.
- The above 30 hours per family includes **mandatory attendance at both the fall and spring Pentiction Christian School Society meetings**. Each school family is required to have at least one family representative attend each Society meeting. The hours required to attend these meetings may be logged as volunteer hours. **Note: If a family does not meet this particular obligation under this policy (attendance at both Society meetings), the family's volunteer cheque will be cashed.**
- At the beginning of the school year, or when registering their child(ren), parents/guardians are given the choice of either volunteering for at least 30 hours throughout the school year or provide the school with a cheque in the amount of \$300 to be cashed immediately (eliminating the requirement to volunteer).
- Volunteer hours are to be logged as the work is done. Log sheets are available from the school office.
- If a family chooses to volunteer, they will still be required to submit a post-dated cheque for \$300 at the beginning of the school year, post-dated for the last day of school for the students. If the family does not log the required number of hours, the cheque will be cashed. **Note: Pentiction Christian School prefers that families volunteer and that we do not have to cash the volunteer cheques.**
- Volunteer fees will not be pro-rated.

Exceptions:

- In exceptional circumstances, a waiver of this obligation in whole or in part may be granted on a case by case basis by the Board.
- The duration of this waiver cannot exceed 12 months.

Volunteer and Service Opportunities:

- Fund-raising projects; public relations.
- Playground/student supervision.
- Participation as a Board member, committee member, and/or being a member of the Parent Support Group (PSG).
- Classroom activities; classroom presenters; classroom help.
- Office assistance.
- Baking for special occasions.
- Driving and/or assisting on field trips.
- Work bees and/or helping to maintain the facilities; school and grounds maintenance.
- Other.

*** For the purpose of this policy, family is defined as parent(s), grandparent(s), student(s), extended family, legal guardian(s), foster parent(s), etc.**

PENTICTON CHRISTIAN SCHOOL SOCIETY CONSTITUTION

1. The name of the Society is Penticton Christian School Society.
2. The purposes of the Society are:
 - (a) to advance Christian education by establishing and operating Christian schools, and hiring and employing qualified Christian teachers and other staff members to direct, advise on, and carry out Christian education based on the principles set forth in the bylaws;
 - (b) to advance Christianity by establishing and maintaining a place of worship and conducting services in accordance with the tenets and doctrines of the Christian faith;
 - (c) to promote a Christian worldview by teaching and preaching the religious tenets, doctrines, and observances associated with the Christian faith through missions, missionary work, and evangelism.

PENTICTON CHRISTIAN SCHOOL SOCIETY BYLAWS - PARTS 1.1, 1.2, 18

PART 1 – FOUNDATIONAL STATEMENTS OF FAITH AND PRINCIPLES AND INTERPRETATION

- 1.1 The basis of all the activities of the Society is the Bible, the authoritative Word of God as confessed by the early church and in the historical Christian Creedal Standards (Apostles, Athanasian and Nicene Creeds). Thus we believe:

Scripture: That the Scriptures are the written and inspired Word of God, the infallible authority by which God directs and governs all our activities, including the education of our children.

Creation: That humanity and the entire world find their origin, meaning, and purpose in the Triune God: Creator, Redeemer and Holy Spirit.

Sin: That sin is disobedience to God's law. Humanity's sin, which brought God's curse on all creation, broke humanity's relationship with God, his neighbour and the world.

Redemption: That all of creation is in need of the redemptive work of Christ. Jesus Christ is the Redeemer who restores the relationship between God and His creation. Only through Him and the work of the Holy Spirit is there renewal of our whole life, including our educational enterprise.

Human Life: That humankind is created in the image of God and is by nature a religious being. All of human life, including educational work, must be understood as a response to the one true God. Consequently, humanity serves either the Creator God or a god of his own making.

- 1.2 Based on the statements in section 1.1 above, the following principles provide the framework for Christian Education.

Teaching and Learning: That teaching and learning must proceed in the light of God's written Word and in accordance with God's creation order.

Education: That the purpose of Christian Education is to nurture children into a life of obedience, true to their calling as image-bearers of God which is: to love God; to love their fellow human beings; and, to be stewards in their God-given cultural task, thereby contributing to the advancement of God's Kingdom in this world.

Parents: That responsibility for educating children rests primarily upon parents to whom children are entrusted by God.

Students: That each child is a unique image-bearer of their Creator God. Their gifts and talents are God-given and are to be nurtured and celebrated.

Teachers: That Christian teachers, in response to God's renewing work, have a distinct pedagogical responsibility while educating the child in school.

Community: That each student, parent, teacher and staff member belong to and are valued members of the school community. They depend on each other to fulfil their Kingdom calling to develop the earth and to serve God and their neighbour in education.

Educational Freedom: That Christian schools, organized and administrated in accordance with legitimate standards and provisions as set in the applicable Acts and Regulations, should be fully recognized in society as free to function according to these principles.

PART 18 – DISSOLUTION

- 18.1 In the event of the dissolution or winding up of the Society and after payments of debts and liabilities, its remaining assets shall be distributed to qualified donees described in subsection 149.1(1) of the Income Tax Act and having purposes similar to the Society, as shall be designated by the Members.
- 18.2 A resolution of dissolution of the Society, prior to placing a resolution of distributing the net assets, may be enacted by a majority of the Board of Directors, but must receive an affirmation vote of at least 75% of the voting Members present at a meeting duly called to consider these resolutions, subject to the quorum provisions of Bylaw 4.3
