High School Teacher – PHE 10, Active Living 11 and 12

Penticton Christian School (PCS) is a multi-denominational, multi-ethnic, K-12, Christian professional learning community. It is classified as a Group 1 independent school, providing provincially mandated BC curriculum to its students, from a Christian perspective.

The following position will become available at the school, beginning Aug. 29, 2022:

A Part-time, High School Teaching Position (PHE 10, Active Living 11 and 12)

Prospective teaching assignment: PHE 10, Active Living 11 and 12.

Please note that this position could be expanded to include elementary and middle school PHE teaching as well as inclusive education support services, taking into account the successful candidate's overall qualifications as well as interest in obtaining additional hours of employment.

An interest in indigenous education would add to an applicant's application, especially with a view to implementing the upcoming indigenous-focused graduation requirement. Finally, this position may be of interest to a teacher candidate who is also interested in pursuing a career in school administration.

The successful candidate is a committed Christian and possesses the ability to work closely with his/her students, other staff members, the school's administration, and parents.

The school wishes to thank all applicants for their interest, however, only those candidates short-listed for an interview will be contacted. **The position is open until filled.**

Applications with supporting documentation, including a cover letter, resume, references, transcripts, BCCT/BC Teacher Regulation Branch certificate, and a statement of Christian faith should be submitted to the attention of:
